

## **PROFESSIONAL AFFILIATIONS**

**Membership of the following learned societies :**

**Indian Association of Dermatologists, Venereologists, and Leprologists**

**British Association of Dermatologists**

**British Society of Paediatric Dermatology**

**British Society of Dermatological Surgery**

**British Contact Dermatitis Society**

**European Academy of Dermatology and Venereology**

**Indian Society of Pediatric Dermatology**

**Royal Society of Medicine**

**International Fellow, American Academy of Dermatology.**

**Fellow, International Academy of Cosmetic Dermatology**

**Hospital Consultants and Specialists Association**

**University of Birmingham History of Medicine Society.**

## **Examinerships:**

MRCP Part II Clinical Examiner since 4 years, Royal College of Physicians of Ireland and Royal College of Physicians , London.

## **TEACHING COMMITMENTS**

Regular teaching undertaken to cover the Royal College of Physicians syllabus for doctors training towards the MRCP.

MRCP Teaching for Dermatology

Grand Rounds: 6-8 a year

Teaching Links with Kings College Hospital, London and St John's Institute of Dermatology.

## **LECTURES GIVEN**

**1996 (University of Birmingham Medical School); 1997 (Govt Royapettah Hospital & Madras University Kilpauk Medical College); 1999(University of Liverpool): THE LIFE AND TIMES OF LT.COL.CHARLES DONOVAN, DISCOVERER OF LEISHMANIA DONOVANI AND OF DONOVANOSIS.**

**1998: Skin in Pregnancy; Newer Anti-Fungal Drugs. Two Lectures Invited Speaker at All India National Conference, Indian Association of Dermatologists, Venereologists and Leprologists, Chandigarh, India**

**2001: Skin in Elderly, SouthEast of England, Regional Teach In SPR Medicine Meeting**

**2002: Management of Acne; The Face in Dermatology: Two lectures as Invited Speaker, All India National Conference, Indian Association of Dermatologists, Venereologists and Leprologists, Cochin, India.**

**2003: Current Trends in Psoriasis Management at Madurai Medical College, India**

**2003: Royal College of Physicians Teach In: Itching in Skin Disease; Approaching a skin rash, given in the presence of the President Dame Carol Black.**

**2005: Regional meeting of Indian Association of Dermatologists, Venereologists, Leprologists, Madras, June 2005**

**2006: Dermatology in the A & E: Lecture for annual study day for A & E SPR's, Kent and Sussex Postgraduate Centre.**

**2007: The Life and Times of Charles Donovan IMS, Lecture at the Tropical Dermatology Meeting, June 2007, British Association of Dermatologists (TIDES Meeting)**

**2008: "Scabies, Pediculosis and Crawlies" given at Sri Ramachandra Medical College and Hospital, Deemed University....this was video-linked to several medical schools in India including Port Blair, Andamans**

**2008: Adolescent Dermatology lecture In symposium organised by the South East Paediatric Group on "The Adolescent Patient"**

**2009: Lecture on Adolescent Dermatology given at Sri Ramachandra College of Pharmacy for dermatology and pharmacy departments. Update on pediatric dermatology given to the Dermatology department at SRMC.**

**2011: Skin signs in Medicine with illustrative examples: necrolytic migratory erythema and warfarin induced skin necrosis. Madras Medical College Department of Dermatology and Venereology, Madras, India.**

**2012: Annual Meeting of the Indian Association of Dermatologists, Venereologists, Leprologists: Invited Guest Lecture on CUTANEOUS METASTASES: what's new?**

**2013: Royal College of Physicians teach-in for General Internal Medicine Specialist registrars from south-east of England: Lecture on "Itching in Medicine" and "How do you approach a skin rash".**

**2015: Medway Hospital Postgraduate Centre: Royal College Teach-in: Lecture on Skin in Internal Medicine to Specialist Registrars in Medicine from South East of England.**

**2017: Lecture on Urticaria to Advanced Dermatology Practitioners, Royal Society of Medicine, 24.06.17.**

## **COURSE ORGANISER**

**2003: Two full days Dermatology course for GP's and GP trainees organised at the request of KSS Deanery. At Maidstone Hospital. Was oversubscribed and successful.**

**2006: Two full day course for GP Trainees and GP's September 20<sup>th</sup> and 21<sup>st</sup>.**

**2012: One Full day course for GP Trainees, 30<sup>th</sup> March at The Tunbridge Wells Hospital. Was successful with requests to hold it annually.**

**2013: GP Course Repeated in June 2013, 2014,2015.**

**2017: Full morning half day teaching to GP's at Darrenth Valley Hospital postgrad**

**2018: Lecture to GP's at Darrenth Valley Hospital on 30.09.18**

**2019: Lecture to GP's at Darrenth Valley Hospital on 10.05.19**
